

Corporate Profile

We "Hakuryudo" mainly offer "uniform rental" which includes laundering, maintenance and delivery of uniforms. Our company was established in 1958, and began with the productions and sale of white robes. Since 1988, our services have included the rental of uniforms.

We are an "SPA" business that handles the entire process, from planning and production, to laundering. Industry professionals such as designers and cleaning professionals are assigned to each step of the process.

Because we collect and launder soiled uniforms regularly, your uniform will always be clean and sanitary. Our uniforms stand out from those of other companies because they are made-to-order. We can accommodate the wide range of comfort, function, and originality that our customers need to help you stand out as well.

Our main customers are food manufactures, restaurant franchises, supermarkets, convenience

Our services are available across the country with 7 locations nation-wide (from the northeast, Touhoku, North Kanto, South Kanto, Chubu, Kansai, Chugoku and Kyushu). Each base includes a laundry facility and business office. Because factory staffs and sale staffs are assigned to each base, the sales staffs can convey opinions and requests from the customer promptly, to make quick

Today, safety and security of the foods is emphasized in Japan, and the consciousness of consumers about the safety of the food preparation is increasing. Contamination of food by foreign matter, and food poisoning, are serious problems. Using a hygienic uniform is one step towards ensuring the safety of the customers, and the security of the manufacturer. Our uniform rentals ensure superior quality and cleanliness.

We have adopted a cleaning system that conforms to HACCP standards to guarantee safety of health and peace of mind.
